Having watched the webinar, what do you hope to achieve from a dietetic clinic/telephone appointment?

What advice have you received in the past and how has this made a difference?

What have you struggled with? Please detail the reasons.

What is your main concern(s) about your child's eating or drinking?

Please list all the foods your child eats – please continue on another sheet if necessary

Does your child miss out foods from any of the main food groups? - fruit and vegetables, carbohydrates (eg bread and pasta), protein (dairy, meat, fish, soya)

Paediatric dietetic self-referral form (please complete all sections as fully as possible)

How does your child respond to family meal times? Please give examples

How does your child feel about touching food / drink or having a messy face? Please give examples

Is your child struggling to grow or not maintaining their growth? Please give details of height and weight percentiles if available. This information is usually found in your child's red book.

IMPORTANT: Please return your completed form, to one of the following addresses, as per the advice below:
